

Member Recognition Award Nomination Form

The Member Recognition is awarded to an individual of an ACECNJ member firm, who throughout his/her career has elevated the standards of the Engineering Profession. The Member Recognition recipient is chosen based on an individual's outstanding contributions, which have influenced the profession through their leadership role in ACECNJ, professional societies, academic, and other community service organizations. The recipient of this award has made outstanding contributions to the enhancement of the image of the engineering profession, and has dedicated a unique level of passion and commitment to ACECNJ.

In order to accurately review your nomination's eligibility, please refer to prerequisites below.

PREREQUISITE (check a minimum of 4 which apply)

- Practiced in the engineering profession as a registered professional for 15+ years
