BECOME A SCHOLARSHIP FUND SPONSOR

To those of us in the consulting engineering profession, it's painfully clear: professional engineering schools throughout the country are not producing enough engineers to meet present and future demands. Fortunately, there's something you can do about it: you can sponsor the ACECNJ Scholarship Fund.

The fund awards scholarships to undergraduate and graduate engineering students in New Jersey to promote the consulting engineering profession. With the support of donations from consulting engineers, this fund has the potential to fulfill ACECNJ's goal of nurturing future engineers.

Each fall, ACECNJ representatives visit New Jersey's colleges and universities to talk about consulting engineering and to present the scholarship program. Students submit an application and are judged on grades, school and work experiences, and an essay. ACECNJ's Awards Committee will present the scholarships at the Engineering Excellence Awards banquet on March 15, 2017 at Forsgate Country Club in Jamesburg, New Jersey.

Contributions to ACECNJ's Scholarship Fund will be recognized with a full-page advertisement in the Engineering Excellence Awards program. Scholarship sponsors will also be recognized on ACECNJ's Scholarship webpage. ACECNJ will also issue a press release announcing its scholarship recipients and list sponsors. Please support the ACECNJ Scholarship Fund now.

Yes, my firm would like to be a Scholarship Sponsor. Please bill me for:

Platinum Sponsor \_\_\_\_\_ \$1,000  
Gold Sponsor \_\_\_\_\_ \$500  
Silver Sponsor \_\_\_\_\_ \$300

\_\_\_\_\_ Pair my firm's Scholarship Sponsorship with a full-page ad in the Engineering Excellence Awards Banquet program for \$300
